

Christmas: Cuba vs. Texas

Similarities

They had a BIGGG FEAST!!

My family works on the feast & so does theirs.
we both eat animals.

Differences

They had a whole roasted pig.

They have Cuban bread.

They had a Noche Buena feast, that's more important to them than Christmas Dinner is to us.

It's only women who prepare the feast. The family kill the animals, while we buy a killed animal at da store.
