

For example: In the video, our blogger said:

Marisa: No Andrea, no estoy mal. Tampoco estoy triste.

Andrea: ¿Qué?

Marisa: Estoy bien, pero tengo mucho calor.

Now, imagine that you are the one having the conversation with Andrea. Read the following dialogue and rephrase your sentences by using the estar and tener expressions from this lesson to help Andrea better understand what you are trying to express.

1

You: "No estoy bien."

Andrea: "¿Qué?"

You: (To help Andrea better understand what you are trying to express, rephrase your statement.)

Yo tengo ~~mucho~~ hambre.

2

You: "Estoy emocionado (or emocionada)."

Andrea: "Emocionado (or emocionada). ¿Qué? No entiendo."

You: (To help Andrea better understand what you are feeling, rephrase your statement by using the verb estar.)

Estoy alegre
